"Debating the future of Europe and challenging Euroscepticism":
The project is in accordance with "White paper on the Future of Europe". Conferences "Those who want more do more"," We doing much more together".

Fostering a sense of belonging to Europe: Research "I fill European or not?", contest "I`m European", Research "What`s mean to be active European", Seminar "How to be Active European", Conference "How to motivate people to be active European".

Increase understanding of the benefits of the European Union: Exhibition "Our European achievements" Conference "Our citizens –our treasure", demonstration game "Olympic game for European citizens– No borders for European spirit", Debate "What we lost and what we win of our EU membership", Conference "Our European problems and our decision".

Democracy e-participation and EU decision-making process in accordance to European Parliament elections in 2019: "Electronic simulation game "European Election-2019".

Intercultural dialogue and mutual understanding and combatting the stigmatisation of migrants and minority groups:

Debate "Our voice have to be heard", Conference "Our European problems and our decision".
European Year of Cultural Heritage 2018

All project events focused on raising the European spirit and belonging to EU :

Exhibition "Our cultural heritage", Festival "International cousin tradition", "Map of the cultural heritage of the "Network of Towns".

The project logic path starts with the community achievement /My European municipality/ pass through "town" , "local place" and stops to personality "I`m European". The final events summarize "Our European Spirit" and believing in the European future" We doing much more together".

The project upgrades the previous projects "Europe in future- unified and multifaceted" and "Future of Europe-Reload" by Europe for citizens Programme with new topic "Belonging to EU and European Spirit".
