

Innovative Cross Border and Transnational Activities

Project Salute/Zdravstvo – NETWORK OF CROSS BORDER HEALTH SERVICES

- Project Salute/Zdravstvo run by EGTC GO
- 01.04.2017- 31-03-2021, 5.000.000 Euro
- The project aims at improving the use and the performance of social-health services within the cross-border territory of the EGTC GO, through a work of integration between services and health facilities involved in the project.
- Constitution of a network made up of excellences from both territories, considering the needs of the citizens and the necessity to renew the programming of the services in order to have an efficient system that will ensure the universal right to healthcare.
- Establishment of 3 cross-border medical teams in the field of mental health, autism and physiological pregnancy and the creation of a single centre for the booking of social and health services shared by Italian and Slovenian health facilities.
- Cross border info point.

POŽIVIMO MESTI / VIVICITTA

- Sports event organized by the UISP (Unione sport per tutti, Comitato territoriale Gorizia) and the Public Foundation for Sports (SLO);
- Europewide event, held in different European towns;
- Nova Gorica and Gorizia unique in its cross border nature (Vivicittà);
- Good cooperation between Slovene and Italian organizations contribute to the success of the event;
- 3 different trails (12 km, 6 km in 3 km), one of them being intended only for the elderly and children;

URBINAT – stream of Koren, connecting both cities

- Project in the framework of the Horizon 2020 research and innovation programme.
- The main objective: to revitalize degraded areas using participatory processes and NBS.
- The study area in Nova Gorica – the area along the stream of Koren.
- Stream in some parts covered for many years – pollution.
- Growing importance of water in a city (climate change, better quality of living, ...).
- Connect the area using NBS (through healthy corridors) with the city centre.
- Ideas to uncover a small area of Koren in Gorizia and fill the with new contents – reviving the now degraded area using participatory process.

Cross border bike sharing system

- Cross border bus line; Cross Border SUMP.
- Municipality of Nova Gorica in the process of establishing a bike sharing system (8 stations /39 bikes) .
- The City of Gorizia already has one.
- The aim is to establish the one that will be common.
- The aim is to see in the near future „Italian bikes“ parked in Nova Gorica and the „Slovene bikes“ in Italy.

CULPEER4CHANGE PROJECT – INNOVATIVE APPROACHES IN EDUCATION

1. Project duration: 3 years; partners 15 (NGOs, local authorities).
2. Culture and peer learning approach (SDG 13,16 and 10) in formal and informal education.
3. Cultural Events and Peer-Learning workshops (SDG 13,16 and 10) in formal and informal education.
4. 7 public conferences for presentations of CPLC in development education (SDG 13, 16 and 10).
5. Internet platform with e-learning tools and Open Educational Resources (OER).
6. Innovative dissemination actions in all partner cities.

THANK YOU FOR YOUR ATTENTION!
