

PARTNER INFORMATION SHEET

Please provide the following informations:

Please briefly present the partner organisation (e.g. its type, size, scope of work, areas of specific expertise, specific social context)	The Municipality of Ożarów Mazowiecki is located in the West Warsaw District in Poland. The area of 71,34 square kilometers is inhabited by almost 22 000 people. It is the smallest administrative unit, the place where inhabitants can arrange main matters.
Provide three reasons why Network will be useful for your association	In the past Ożarów Mazowiecki was a small village, at present is rapidly growing municipality near capital city, with high influx of inhabitants. Representatives have to satisfy civil needs, develop the infrastructure, take care of young local democracy and improve civil participation in the policy-making process. Those are the most important topics to discuss with the others in partnership. We would like to base on best experiences.
Provide three benefits your association hopes to gain from the Twinning relationship	We would like to take advantage of exchange best practices and ideas, cooperate with members of European Union to improve local development and strengthen civil participation in local democracy. We also would like to promote a capability of municipality, our culture and history, rich in Partners knowledge to become greater.
What are the main topics which you like to exchange the experience?	We would like to discuss about European Union future and ways to eliminate inequality of development using european funds. On the other hand important is to make Europe closer to inhabitants, show our local culture and history. We truly believe that we can also share with Partners our best practices and experience of european projects.
Do you have twinning cities? Please write the names of cities if applicable	The Municipality of Brusy (Poland)
