Besides the normal administrative activities of the town of Montserrat, this, has launched a while a series of initiatives in areas tourism, cultura and services.</p> <p>Maintain access to information and cultural heritage through various means, such as the Internet and social networks. Work to ensure the sustainability of the cultural heritage of Montserrat, within the European framework.</p> <p>Strengthen the national and international projection of our tangible and intangible cultural heritage. Promotion of projects for the benefit of citizens. Promotion of formal cultural and educational projects.</p> <p>Guarantee the accessibility of citizens to the visual arts, music and audiovisual arts, as well as promote access to literature and encourage reading.</p> <p>We work to be part of a network of European cities and develop among our citizens the sense of relevance to Europe.</p>
<p>Provide three reasons why Network will be useful for your association</p>	<ol style="list-style-type: none"> <li>1. The fact of being able to exchange ideas with other European territories, with diverse cultural and administrative characteristics, favors the transfer of knowledge and the improvement of the procedures.</li> <li>2. With the contact and knowledge of other European territories, ties of union are established and synergies are generated that favor the social development, and the sense of proximity and belonging of European citizenship.</li> <li>3. If we approach our citizens to the knowledge of other European cultures we will eliminate prejudices and favor social integration by becoming aware of our own multiculturalism.</li> </ol>
<p>Provide three benefits your association hopes to gain from the Twinning relationship</p>	<ol style="list-style-type: none"> <li>1. We will open the possibility to our citizens to broaden horizons, to show a wide range of possibilities and knowledge.</li> <li>2. The fact of having relations with other administrations will bring us, before the same problem or modifiable reality, a different vision and perspective facilitating unexpected solutions from a single perspective.</li> <li>3. Being part of the network will help us to learn more about our cultural and heritage traits and to show them to the rest of Europe.</li> </ol>
<p>What are the main topics which you like to exchange the experience?</p>	<p>Cultural tourism as an economic engine, music as a patrimonial value that facilitates social and professional integration, recovery of the rural environment very antropizado, the transport and connectivity of the population, smart city ...</p>
